

COMMUNITY CONSULTATION ON HOUSING OPTIONS IN CHILBOLTON

Chilbolton Parish Council has commissioned Action Hampshire to carry out an independent consultation to understand local views on housing options within the parish.

Over the coming weeks, every adult on the electoral register will receive a Consultation Pack containing further information about the housing options being considered and instructions on how to submit a response.

Participants will be asked to rank all four options in order of preference, with 1 being their most preferred option and 4 being their least preferred option. To ensure all responses can be analysed fairly and consistently, all four options **MUST** be ranked for a response to be included in the final analysis.

Your views are important and will help provide an evidence-based understanding of community preferences. The consultation is being managed independently by Action Hampshire and all responses will be treated confidentially.

The consultation will be open from 1st - 27th September 2026.

Responses can be submitted either online or by completing and returning the Consultation Card.

Look out for your Consultation Pack arriving soon.

For further information, including FAQs, data privacy and accessibility support, please visit the parish website www.chilboltonparish.gov.uk or contact housing@actionhampshire.org

Deadline: 27 September 2026
