

# Chilbolton Parish Council By-Election

## Vote on 13<sup>th</sup> November for

### Duncan Revolta

#### **Why vote for me?**

My wife Nicola and I are relatively new to Chilbolton, having moved here from Winchester three years ago. Like many residents, I've been energised by the recent development proposals and have attended Parish Council meetings to learn more.

I want to serve on the Council to contribute positively to village life. I have a strong sense of social responsibility, transparency, and sustainability — values I believe our community deserves.

Although I haven't served on a Parish Council before, I have extensive business experience as a founder of a number of Companies, Chair of a Pension Trust and Treasurer of a Broughton educational charity.

I hold no party-political allegiance.

**Vote for clear thinking, straight talking and  
strong commitment to our village**
