

Regain your Trust - Vote Neil Connor

I believe that trust and engagement must be at the heart of the Parish Council. I have been forthright in asking this key question:

How can the Council truly engage and regain the trust of the village around the proposed housing development and necessary infrastructure improvements?

My commitment to you is:

- **Listen** carefully to views across our community
- **Consult** and explore a range of options with stakeholders
- **Engage** and actively ask for ideas and volunteers
- Make **evidence-based recommendations** based on facts
- Be **clear and transparent** in every decision
- Support a local **referendum** on any proposed housing development

My family and I have lived in the village for 25 years. I played an active role in the community through **Chilfest**, the **Virgin Superfast Broadband** campaign and served as a **governor at Wherwell Primary School**, where my three children attended.

Recently retired from a successful career in IT. I am currently supporting the Parish Council as a member of the **Community Development Committee** and I am also a **Trustee of the Chilbolton Community Land Trust**.
